COMMUNITY ROWING, INC. was founded in 1985 by a group of Olympic and National Team rowers. The founders created CRI as a concept as much as a boat club with the goal of diversifying the sport and securing public access for rowing along Boston's Charles River. CRI's mission is to provide growth through rowing for people who would not otherwise have the background, experience or ability to gain access to rowing.

RIVERSIDE BOAT CLUB was founded in 1869 and strives to support the attainment of its members' rowing goals, spanning everything from recreational rowing to the highest levels of competition; and to promote the art and enjoyment of rowing through excellent coaching, quality equipment, and a social community. In addition, Riverside is proud to be a volunteer run organization, where dedicated members voluntarily contribute thousands of hours each year. Membership is open to all who comply with the club rules and can provide service to the club.
